Medium	English	English
Year of Passing	2024	2022
Score	97.6%	89%

INTERNSHIPS

Future Interns | December 2025 - January 2026

- I completed my internship as a Web Development Intern at Future Interns, where I gained practical exposure to frontend web development and real-time project work. During the internship, I worked on designing and developing a personal portfolio website using HTML, CSS, and JavaScript. This project helped me understand how to structure web pages, apply styling, and add basic interactivity to create a professional and user-friendly website. I also learned the importance of clean code, proper file organization, and responsive design principles. As part of the internship, I used GitHub to manage and upload my project, which introduced me to version control and professional development practices. This internship improved my technical skills, problem-solving ability, and confidence in building real-world web applications while also enhancing my communication skills and self-learning approach.

PROJECTS

Personal -Portfolio | December 2025 - January 2026

- I designed and developed a Personal Portfolio Website as part of my internship and self-learning journey to showcase my profile, skills, projects, and contact details in a professional manner. The project was built using HTML, CSS, and JavaScript, focusing on clean structure, aesthetic design, and user-friendly navigation. I implemented multiple sections such as Home, About Me, Skills, Projects, and Contact to present information clearly. The website includes interactive elements, smooth navigation, and visually appealing layouts using modern styling techniques. I also ensured proper file organization and responsiveness for better usability. The project helped me understand the complete workflow of frontend development, from planning content to implementing design and functionality. Through this project, I improved my web development skills, problem-solving ability, and confidence in building real-world applications.

ACHIEVEMENTS

- Top 3 in class, All rounder in B Tech
- Top 3 in class, All rounder, School topper in school
